Book Housing

<https://www.volleyballhotels.teamtravelsource.com/charmcitychallenge>

The JVA does NOT have a "Stay to Play" policy. However, we have secured the best prices available and hope that you will choose to use the rooms in our block. In addition, our housing service Team Travel Source, has arranged for incentives for teams to book rooms within our block. JVA receives \$10 per room booked which helps support the many initiatives and programs of the JVA. This event is a major fundraiser, and the JVA receives substantial credit to our cost of the convention center based on the number of rooms booked in the Baltimore area.

Teams will participate in pool play Saturday and bracket play on Sunday. It is our goal to have everyone finished by 6:30pm on Sunday. It is recommended that teams traveling into Baltimore do not schedule flights home on Sunday before 6:00pm.

The JVA has contracted AES Results Management System to provide up to the minute results. There will be no paper posting of pool results or schedules. Schedules/Results can also be found on the AES Xpress APP and www.advancedeventsystems.com.

RULES OF PLAY:

JVA follows the 2023-2025 USAV Indoor Domestic Competition Regulations.

Match Format/Warm-Up Procedures:

- All divisions will play best of three-set formats. Divisions that have 3-team pool(s) with no cross-over match in combination with 4 team pools in the same division will play all 3 sets to 25. Pool finish will be based on set percentage as all 3 sets will count for finish placement. 3-team pools are not our recommended format and we will do everything we can do to avoid them. However, there are times where it is completely unavoidable.
- All crossover and challenge matches will be "match play" best of 3 sets.
- Matches will move ahead of schedule if time allows with the following exception: Warm-ups for matches in the 15-18 divisions will not begin more than 25 minutes ahead of schedule.
- All warm-ups will be 2-4-4 (2 min shared ball handling, first 4 min court time for serving team, and last 4 min court time for receiving team). Teams must serve within their court time. The team off the court should assist in ball shagging during the on-court teams' warm-up.

Officials and Team Officiating Responsibilities:

The Head Official will schedule a First Referee for each match. Work teams will need to provide a Second Referee, Official Scorer, Libero Tracker and 2 Line Judges. An adult on the official roster needs to be court side at all times. The work team needs to report to the Head Official no later than the beginning of the serving team's warm-up. For each minute the work team is late or incomplete, one point will be given to their next opponent (up to 25-0 for forfeit). Each work team must have an adult present and identified to the R1 during a team's work assignment.

RULES OF PLAY CONT:

Pre-Match Protocol (All Non-Gold Finals):

Prior to the start of the 1st set, both full teams will line up behind the service line. At the signal of the head official, both teams will wave to each other and spectators. The starting line up will remain on the court for the lineup check, and the libero shall be waived in by the head official.

****There will be no tie-breaking playoff sets played at any level or age group.**

TWO WAY TIE:

- The result of their head-to-head pool match will determine the winner in ALL CASES.
- There will be NO PLAYOFF regardless of whether it affects the GOLD.

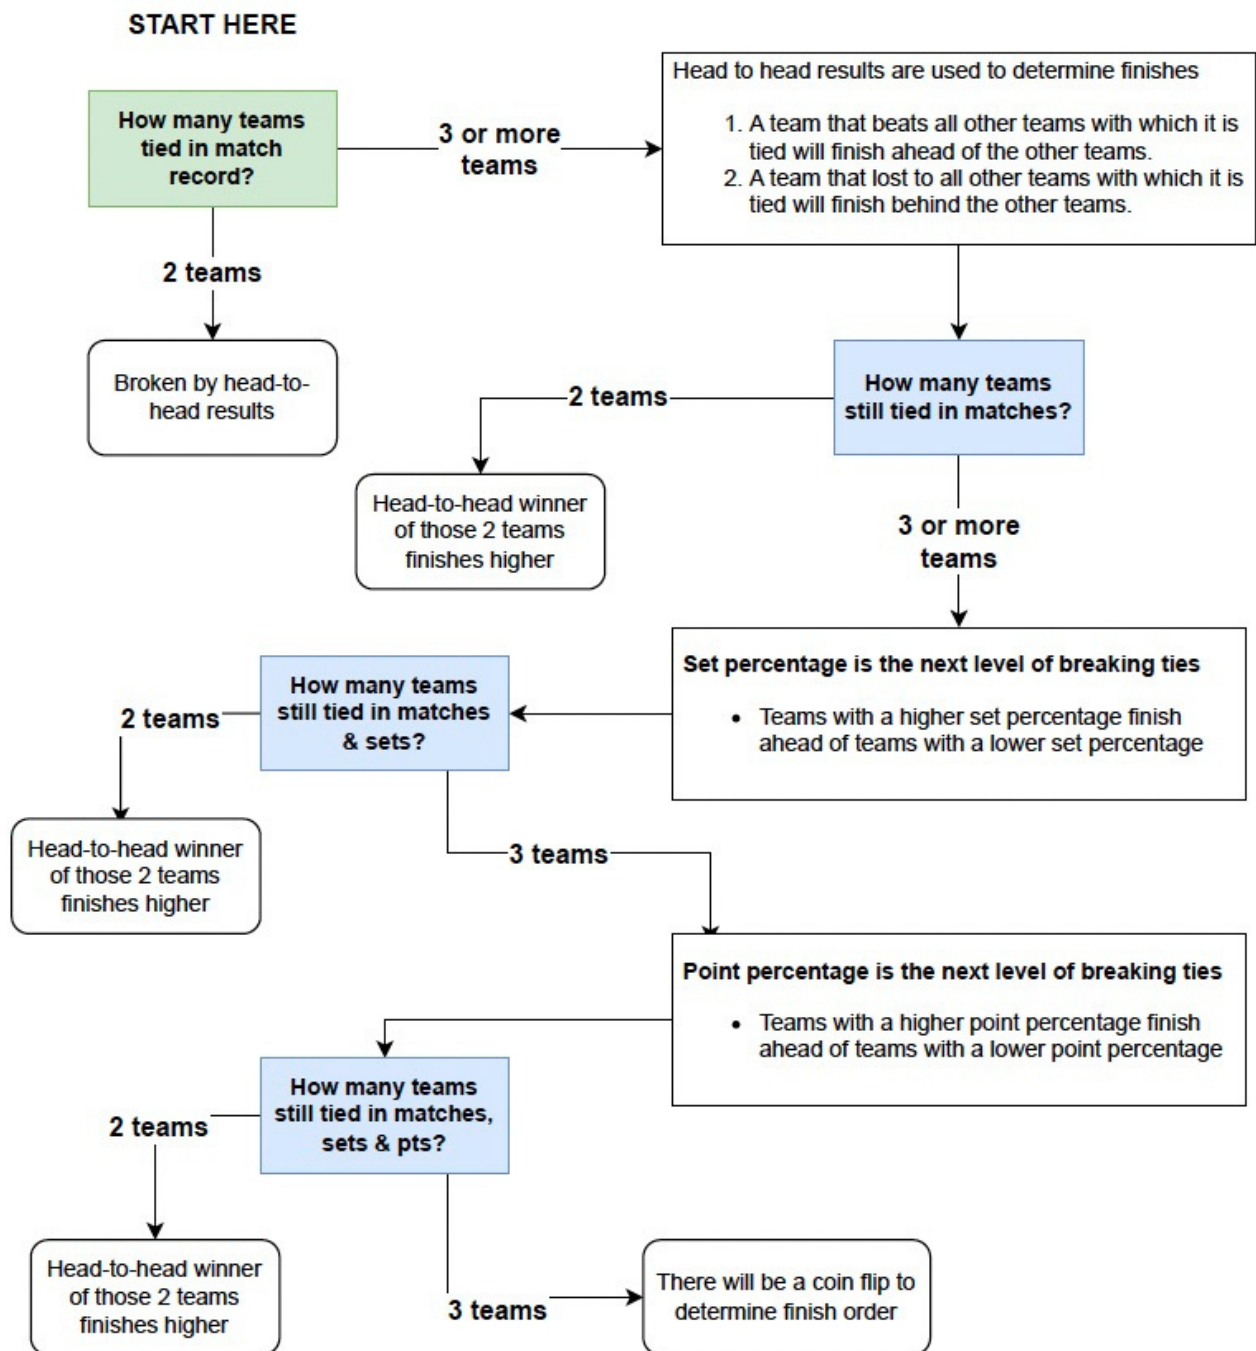

THREE-WAY TIES:

- Head-to-head results are used to determine pool finishes for teams that are tied in Match record.
 - A team that beats all other teams with which it is tied in Match Record will finish ahead of the other teams in the pool.
 - If there are only two teams tied in matches, the head-to-head winner of those 2 teams earns the higher pool finish.
- Set percentage is the 2nd level of breaking ties and is used to rank a pool in which all three teams remain tied after applying the rules in step 1.
 - Teams with a higher set percentage finish ahead of teams with a lower set percentage.
 - If only two teams are tied in both match and set percentage, the team that won head-to-head receive the higher finish in the pool.
- If steps one and two do not break the tie, the following tie-breaking procedure will be utilized to break ties: Match %, Head to Head, Set % and Point %.
- If point percentage is also tied, there will be a coin flip(s) to determine finish in pool.
- See flow chart on page 12 for further guidance.
