SEEDING AND SCHEDULES

Seeding, Schedule, and Results:

Teams will be seeded by a JVA/AAU committee, which may vary by event. Schedules will be posted on AES approximately one week prior.

Pool play will take place on Saturday; bracket play is on Sunday, concluding by 6:00 P.M. Teams traveling from Manheim are advised not to schedule Sunday flights before 6:00 P.M.

Live schedules and results will be available through AES.

RULES OF PLAY

JVA/AAU follows the 2023-2025 USAV Indoor Domestic Competition Regulations.

Match Format/Warm-Up Procedures

- All divisions will play best of three set formats. Divisions that have 3-team pool(s) with no cross over match in combination with 4 team pools in the same division will play all 3 sets to 25. Pool finish will be based on set percentage as all 3 sets will count for finish placement. 3-team pools are not our recommended format and we will do everything we can do to avoid them. However, there are times where it is completely unavoidable.
- All crossover and challenge matches will be "match play" best of 3 sets.
- All warm-ups will be 2-4-4 (2 min shared ball handling, first 4 min court time for serving team, and last 4 min court time for receiving team). Teams must serve within their court time. The team off the court should assist in ball shagging during the on-court teams' warm-up.
- A new libero can be designated before each set.

Officials and Team Officiating Responsibilities

- The Head Official will schedule a First Referee (R1) for each match
- **Work teams will need to provide a rostered adult as Second Referee (R2), Official Scorer, Libero Tracker and 2 Line Judges. An adult on the official roster needs to be court side at all times.**
- The work team needs to report to the Head Official no later than the beginning of the serving team's warm-up. For each minute the work team is late or incomplete, one point will be given to their next opponent (up to 25-0 for forfeit).
- Each work team must have an adult present and identified to the R1 during a team's work assignment.

Pre-Match Protocol (All Non-Gold Finals):

Prior to the start of the 1st set, both full teams will line up behind the service line. At the signal of the head official, both teams will wave to each other and spectators. The starting line up will remain on the court for the lineup check, and the libero shall be waived in by the head official.

Ties in Pool Play - DO NOT LEAVE YOUR COURT AREA UNTIL YOUR POOL HAS BEEN DECIDED!

TWO WAY TIE:

- The result of their head-to-head pool match will determine the winner in ALL CASES.
- There will be NO PLAYOFF regardless of whether it affects the GOLD.

THREE-WAY TIES (Teams advancing to GOLD):

- Head-to-head results are used to determine pool finishes for teams that are tied in Match record.
 - A team that beats all other teams with which it is tied in Match Record will finish ahead of the other teams in the pool.
 - If there are only two teams tied in matches, the head-to-head winner of those 2 teams earns the higher pool finish.
- Set percentage is the 2nd level of breaking ties and is used to rank a pool in which all three teams remain tied after applying the rules in step 1.
 - Teams with a higher set percentage finish ahead of teams with a lower set percentage.
 - If only two teams are tied in both match and set percentage, the team that won head-to-head receives the higher finish in the pool.
 - Three-way tie for first place: If after steps 1 and 2, all three teams are still tied in match AND set percentage, the three teams will be seeded by points. The highest seed as determined by points, advances automatically. The highest seed will ref one set to 15 between the two lower seeds. The winner of this set takes the second spot in gold.

- Three-way tie for second place: If after steps 1 and 2, all three teams are still tied in match and set percentage, the three teams will be seeded by points. The highest seed will ref one set to 15 between the two lower seeds. The loser of the first set will ref one set to 15 between the winner of set 1 and the top seed. The winner of this set takes the second spot in gold.

THREE-WAY TIES (NO teams advancing to GOLD):

- If a tie occurs and no teams are able to advance to GOLD. Steps one and two from the above criteria will be used. In the case teams are still tied in matches and sets. Point differential will now be used to decide the pool. NO PLAY-OFF match will be played.

Code of Conduct/Disciplinary Action:

Any participant listed on the official roster who is causing unfavorable situations either prior to, during, or after the event is subject to disciplinary action by the Tournament Director(s). Anyone discovered in possession of or consuming illegal drugs, alcohol, tobacco products, or e-cigarettes (vaporizers) will be immediately expelled from the event. There are no warnings for possession or consumption of materials listed above for players or any other underage person whose name appears on the tournament roster. Expulsion will be immediate. Pets (other than service animals) and weapons of any kind will NOT be allowed in the event.
